

POSITION VACANT

NDT TRAINER & CONSULTANT

Are you an experienced NDT Technician looking to expand your career, then this is the role for you! This is an exciting opportunity to join ATTAR as an NDT Trainer & Consultant!

ATTAR is an exciting and fast growing Engineering Consulting and Training firm and we are now seeking an experienced NDT Trainer & Consultant to join the team! The NDT Trainer & Consultant is responsible for such tasks as:

- Deliver and assess training; including practical's in accordance with Australian or other Standards
- Ensure Occupational Health & Safety requirements are met
- Undertake business development activity to ensure continued growth for the Company
- Perform NDT consulting & research including setting up and designating test methods, techniques and procedures.

The successful candidate will need to demonstrate extensive experience in three NDT methods and must hold formal NDT qualifications such as AS 3998 / ISO 9712 Level 2 and a working knowledge of AS 3998 / ISO 9712, AS 3669, AS 4635 & SNT-TC-1A.

AS 3998 / ISO 9712 Level 3 qualifications, fracture mechanics knowledge, an Undergraduate Degree in Engineering, a Certificate IV in Training & Assessment or previous training experience is desirable, but not essential.

The successful candidate will be required to complete a Cert IV TAA, if they currently do not hold this or a higher educational qualification.

In this extremely client focused role you will need to have excellent communication and presentation skills, experience with the Microsoft Office suite, confidence, the ability to think on your feet and to prioritise effectively and good project management skills.

You will need to be approachable and be able to work successfully in both a team environment and autonomously. In addition, attention to detail, flexibility and a good sense of humour will be necessary!

The successful candidate must hold a current drivers licence and while the position is based in Springvale Victoria, travel throughout Australia and overseas is expected. ATTAR provides an exciting and rewarding work environment, a great team of people and some fantastic benefits! An attractive salary package will be negotiated commensurate with skills and experience.

A letter of application and CV should be emailed to
Georgina Ablett, Operations Manager at gablett@attar.com.au
