

Liquid Penetrant (PT) / Materials Technology (MS) / Magnetic Particle (MT) Course Enrolment Form

STUDENT DETAILS PLEASE USE BLOCK LETTERS

Student First Name¹:		Date of Birth: / /	
Student Surname¹:			
Address¹:			
Suburb/City:		State:	Post Code:
Phone:			
Student Email¹:			
Payment of Fees by: <input type="checkbox"/> Student <input type="checkbox"/> Company			
By default, where course fees are paid by the company, course feedback and results may be provided to the student's employer, without prior consent. If you do not wish this to happen, please initial the box to the right.			

¹ The name and address supplied above will be used for all correspondence including certificates and letters of results.

COMPANY DETAILS – only required if Company is responsible for payment of fees

Company Name:		
Billing Address:		
Suburb/City:		State:
Contact Name:		Post Code:
Email:		
Email for Invoice:		
Telephone:		
Company Purchase Order No: (Only for Approved Purchasers)		

COURSE DETAILS (please complete only for courses being attended)

Course	Venue <small>i.e. Melbourne or Perth</small>	Dates	Total Course Fees Payable
Liquid Penetrant (PT) - 1 or 2			
Materials Technology (MS)			
Magnetic Particle (MT) - 1 or 2			

I understand the following conditions of enrolment and acknowledge by my signature: -

- This Enrolment is subject to the scheduled course proceeding. In the unlikely event that this course(s) is cancelled, all monies paid to ATTAR will be refunded in full.
- I have read and I understand the ATTAR Student Handbook.
- Satisfactory completion of an ATTAR training course is only part of the process that may be required for attaining certification. For further information on gaining or applying for certification please refer to the Australian Institute for Non-destructive Testing (AINDT)
- This course includes AINDT exams (where applicable). For all exams, my results and details may be supplied to the AINDT.
- I will not be allocated a place on my nominated course(s) until all course forms have been completed and course fees have been paid in full.
- I acknowledge the pre-requisites for this course as detailed on page 2.

PRE-REQUISITE INFORMATION - Pre-requisites for ISO9712 Training

Introduction: Completion of a Materials Technology (Multi-Sector) course is not compulsory. However, most students without a formal background in materials engineering/processes may find aspects of the Level 2 Industry Specific Exams difficult without completion of the multi-sector course. Pre-requisite worksheets & pre-course assessments can be downloaded at attar.com.au

Course Name	Pre-requisites
Liquid Penetrant Level 1 Magnetic Particle Level 1	<ul style="list-style-type: none"> LLN – Language, Literacy & Numeracy Basic knowledge of materials and processes.
Materials Technology / Multisector	<ul style="list-style-type: none"> LLN – Language Literacy & Numeracy
Liquid Penetrant Level 2	<ul style="list-style-type: none"> Materials Technology (Multi-Sector).
Magnetic Particle Level 2	<ul style="list-style-type: none"> Math – Basic math skills including algebra Materials Technology (Multi-Sector)

MATERIALS TECHNOLOGY PRE-REQUISITE – Level 2 Liquid Penetrant and Magnetic Particle

Please tick the applicable item

- I have previously completed the Materials Technology (Multi-Sector) course. Date of Course: _____
- I will be attending the Materials Technology (Multi-Sector) course. Date of Course: _____
- I will not be attending Materials Technology (Multi-Sector) but declare that I have the following pre-requisite knowledge:

Basic welding metallurgy	Casting processes and applications	Composite processes and applications
Welding processes and applications	Casting defects/discontinuities	Composite defects/discontinuities
Weld defects/discontinuities	Basic forging metallurgy	In-service defects/discontinuities
Welding terms and symbols	Forging processes and applications	Process defects/discontinuities
Basic casting metallurgy	Forging defects/discontinuities	Relevant codes and standards

A copy of the applicable course syllabus can be located at www.ATTAR.com.au

Please tick for the applicable course/s:

- Liquid Penetrant Level 2:**
- The total of my current industrial experience in Liquid Penetrant is hours.
 - I understand the ISO 9712 examinations held at the completion of this course will be difficult to successfully complete if I do not have the recommended industrial experience in this method and sector (nominally 576 hours). Candidates who do not have the required industrial experience may defer their examinations. Contact training@attar.com.au to arrange deferral.
- Magnetic Particle Level 2:**
- The total of my current industrial experience in Magnetic Particle is hours.
 - I understand the ISO 9712 examinations held at the completion of this course will be difficult to successfully complete if I do not have the recommended industrial experience in this method and sector (nominally 576 hours). Candidates who do not have the required industrial experience may defer their examinations. Contact training@attar.com.au to arrange deferral.
